# THE WAY OUT

# Grassroots Solutions
## For Real & Positive Change

- Heal Worldview
- Non-Support Of Dominators
- Change Quality Of Attention
- Develop Mindfulness
- Develop True Present Moment Awareness
- Use Of Entheogens In conscious context
- Change Diet
- Positive Thinking
- Detach From Monetary System
- Help others to awaken

# NON-SUPPORT OF DOMINATORS

# CARNISM

A dogmatic ***RELIGION*** based entirely upon ***VIOLENCE***, the main belief system of which is that it is morally justifiable and/or necessary to kill animals and eat their dead flesh.

## THE *ULTIMATE* EXPRESSION OF

# DOMINATION

# Justifications For Carnism

**The Apathy & Ignorance Justification:**
"We have our own problems, we don't have time to worry about whether they suffer or not."

**The Fundamentally Flawed Idea of the "Natural Order" Justification:**
"They kill other animals for food, why shouldn't we do the same?""

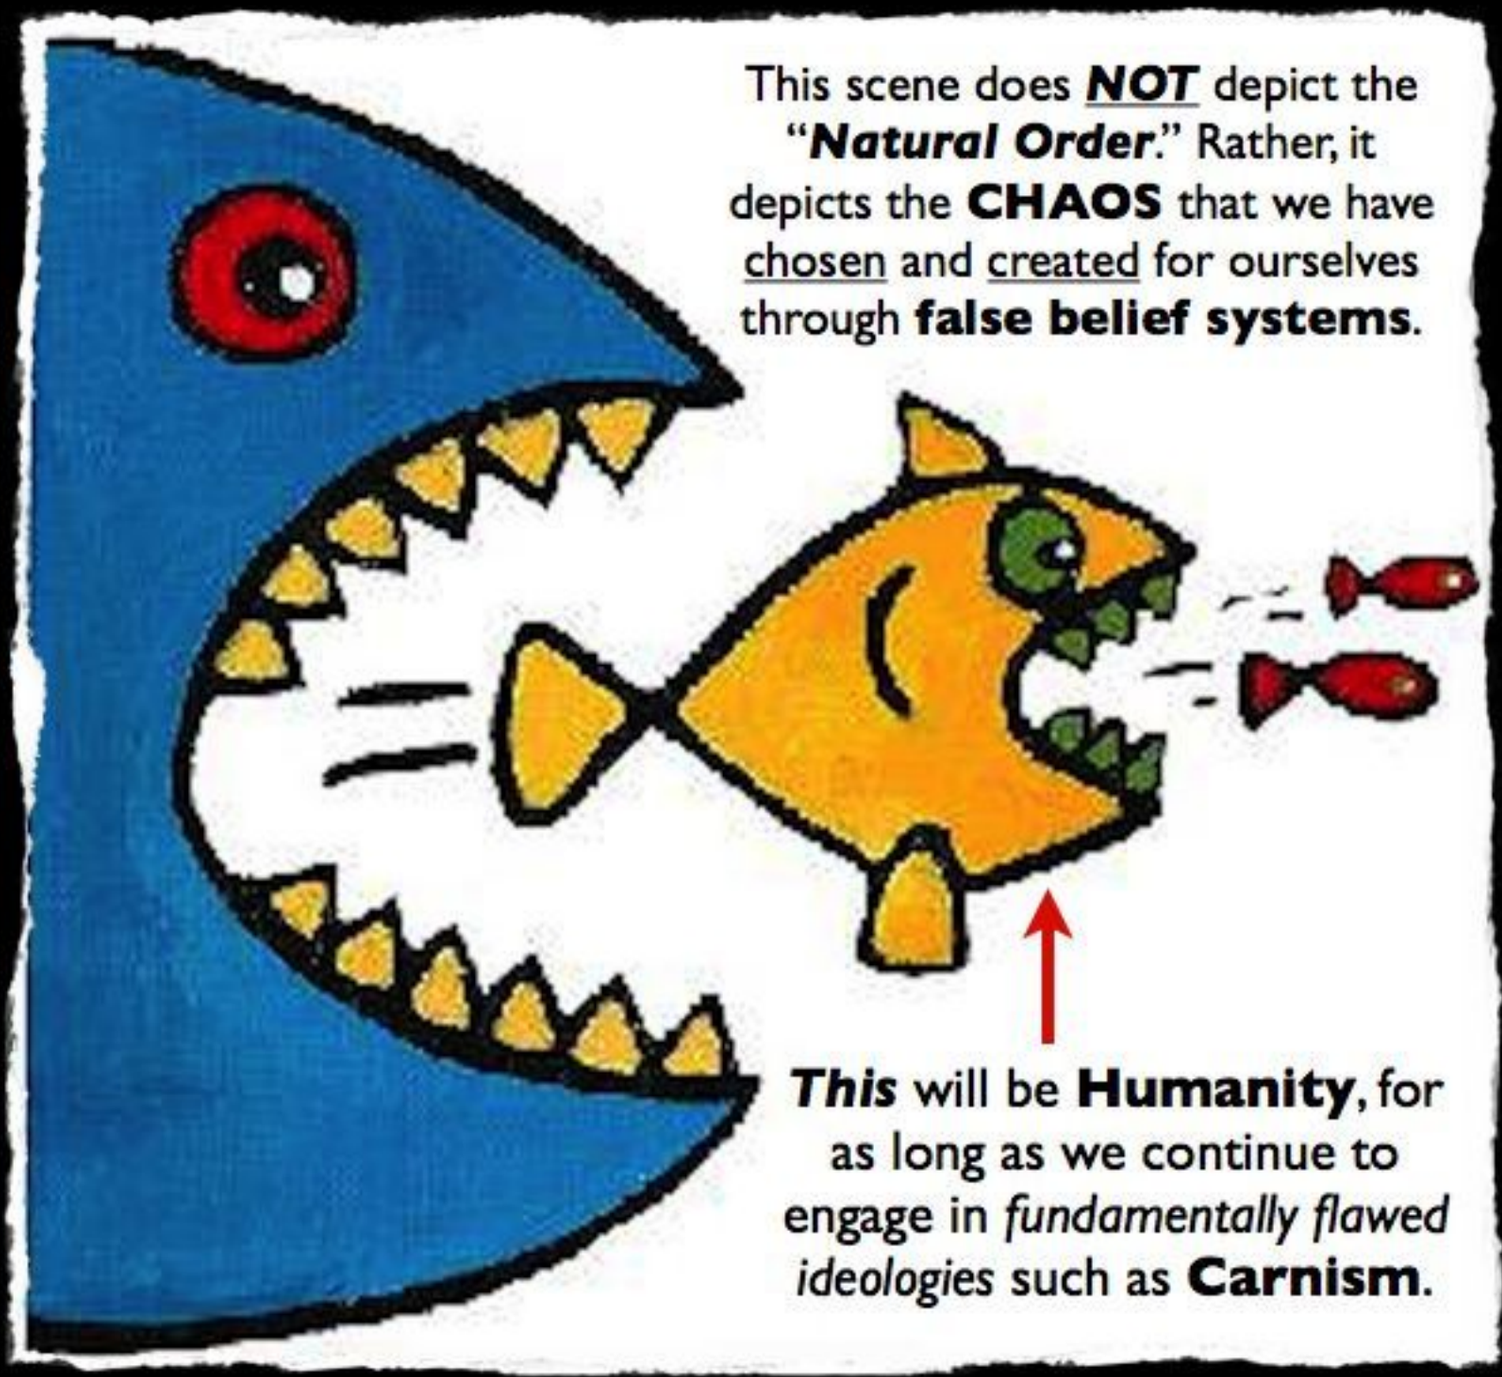
**The False Religion Justification:**
"God gave us dominion over them, so that means we can murder and use them as we please."

**The 1984 Double-Speak Justification:**
"Don't worry, this one was killed 'humanely.'"

**The Separation Worldview Justification:**
"They're not conscious or aware like us, so it's ok to kill them for food."

**The No-Justification Justification, *aka* The Truth:**
"I *do* feel bad, but I could never give up 'my' meat; it's just too tasty."

# The Law Of Correspondence



This scene does **NOT** depict the "***Natural Order***." Rather, it depicts the **CHAOS** that we have chosen and created for ourselves through **false belief systems**.
***This*** will be **Humanity**, for as long as we continue to engage in *fundamentally flawed ideologies* such as **Carnism**.

"That Which Is Above Is Like To That Which Is Below."

Our family supports our soldier.

Experiencer abuses self
Experiencer is victimized by others

# RESPECT

From Latin,

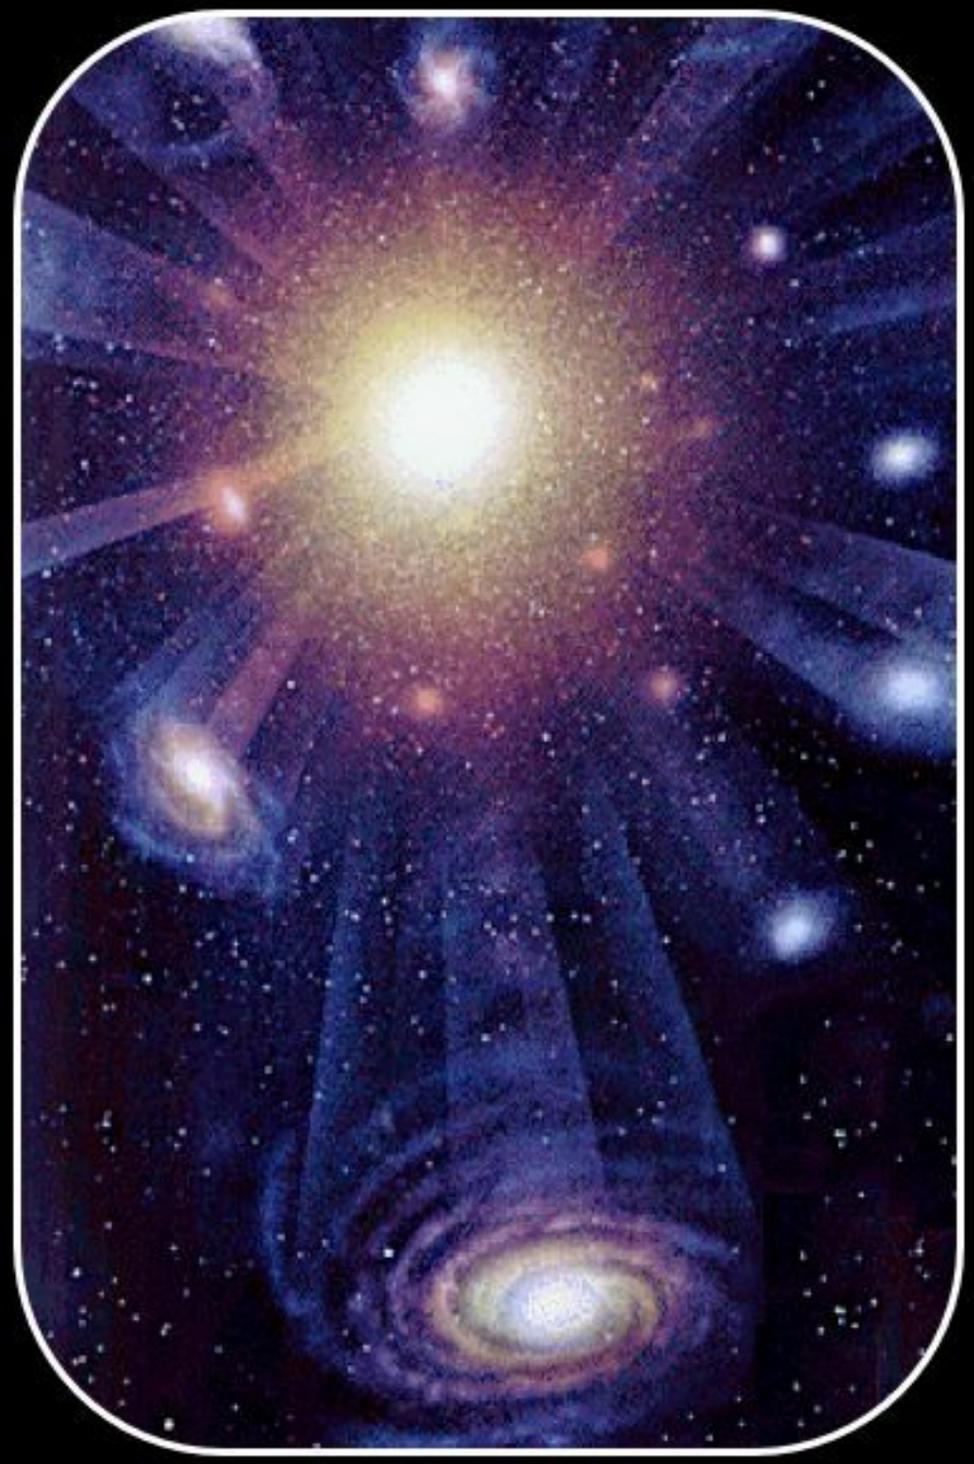
Re: Again

Spectare:

To Look At

# KNOW THE LAW

- A living being ***must*** be ***harmed*** or ***defrauded*** in order in order for a violation of Natural Law rights to have taken place.
- Rights that do not exist for an individual ***can not be granted*** by man's law to any another individual or to any group of individuals.



# CONSCIENCE

*From Latin*

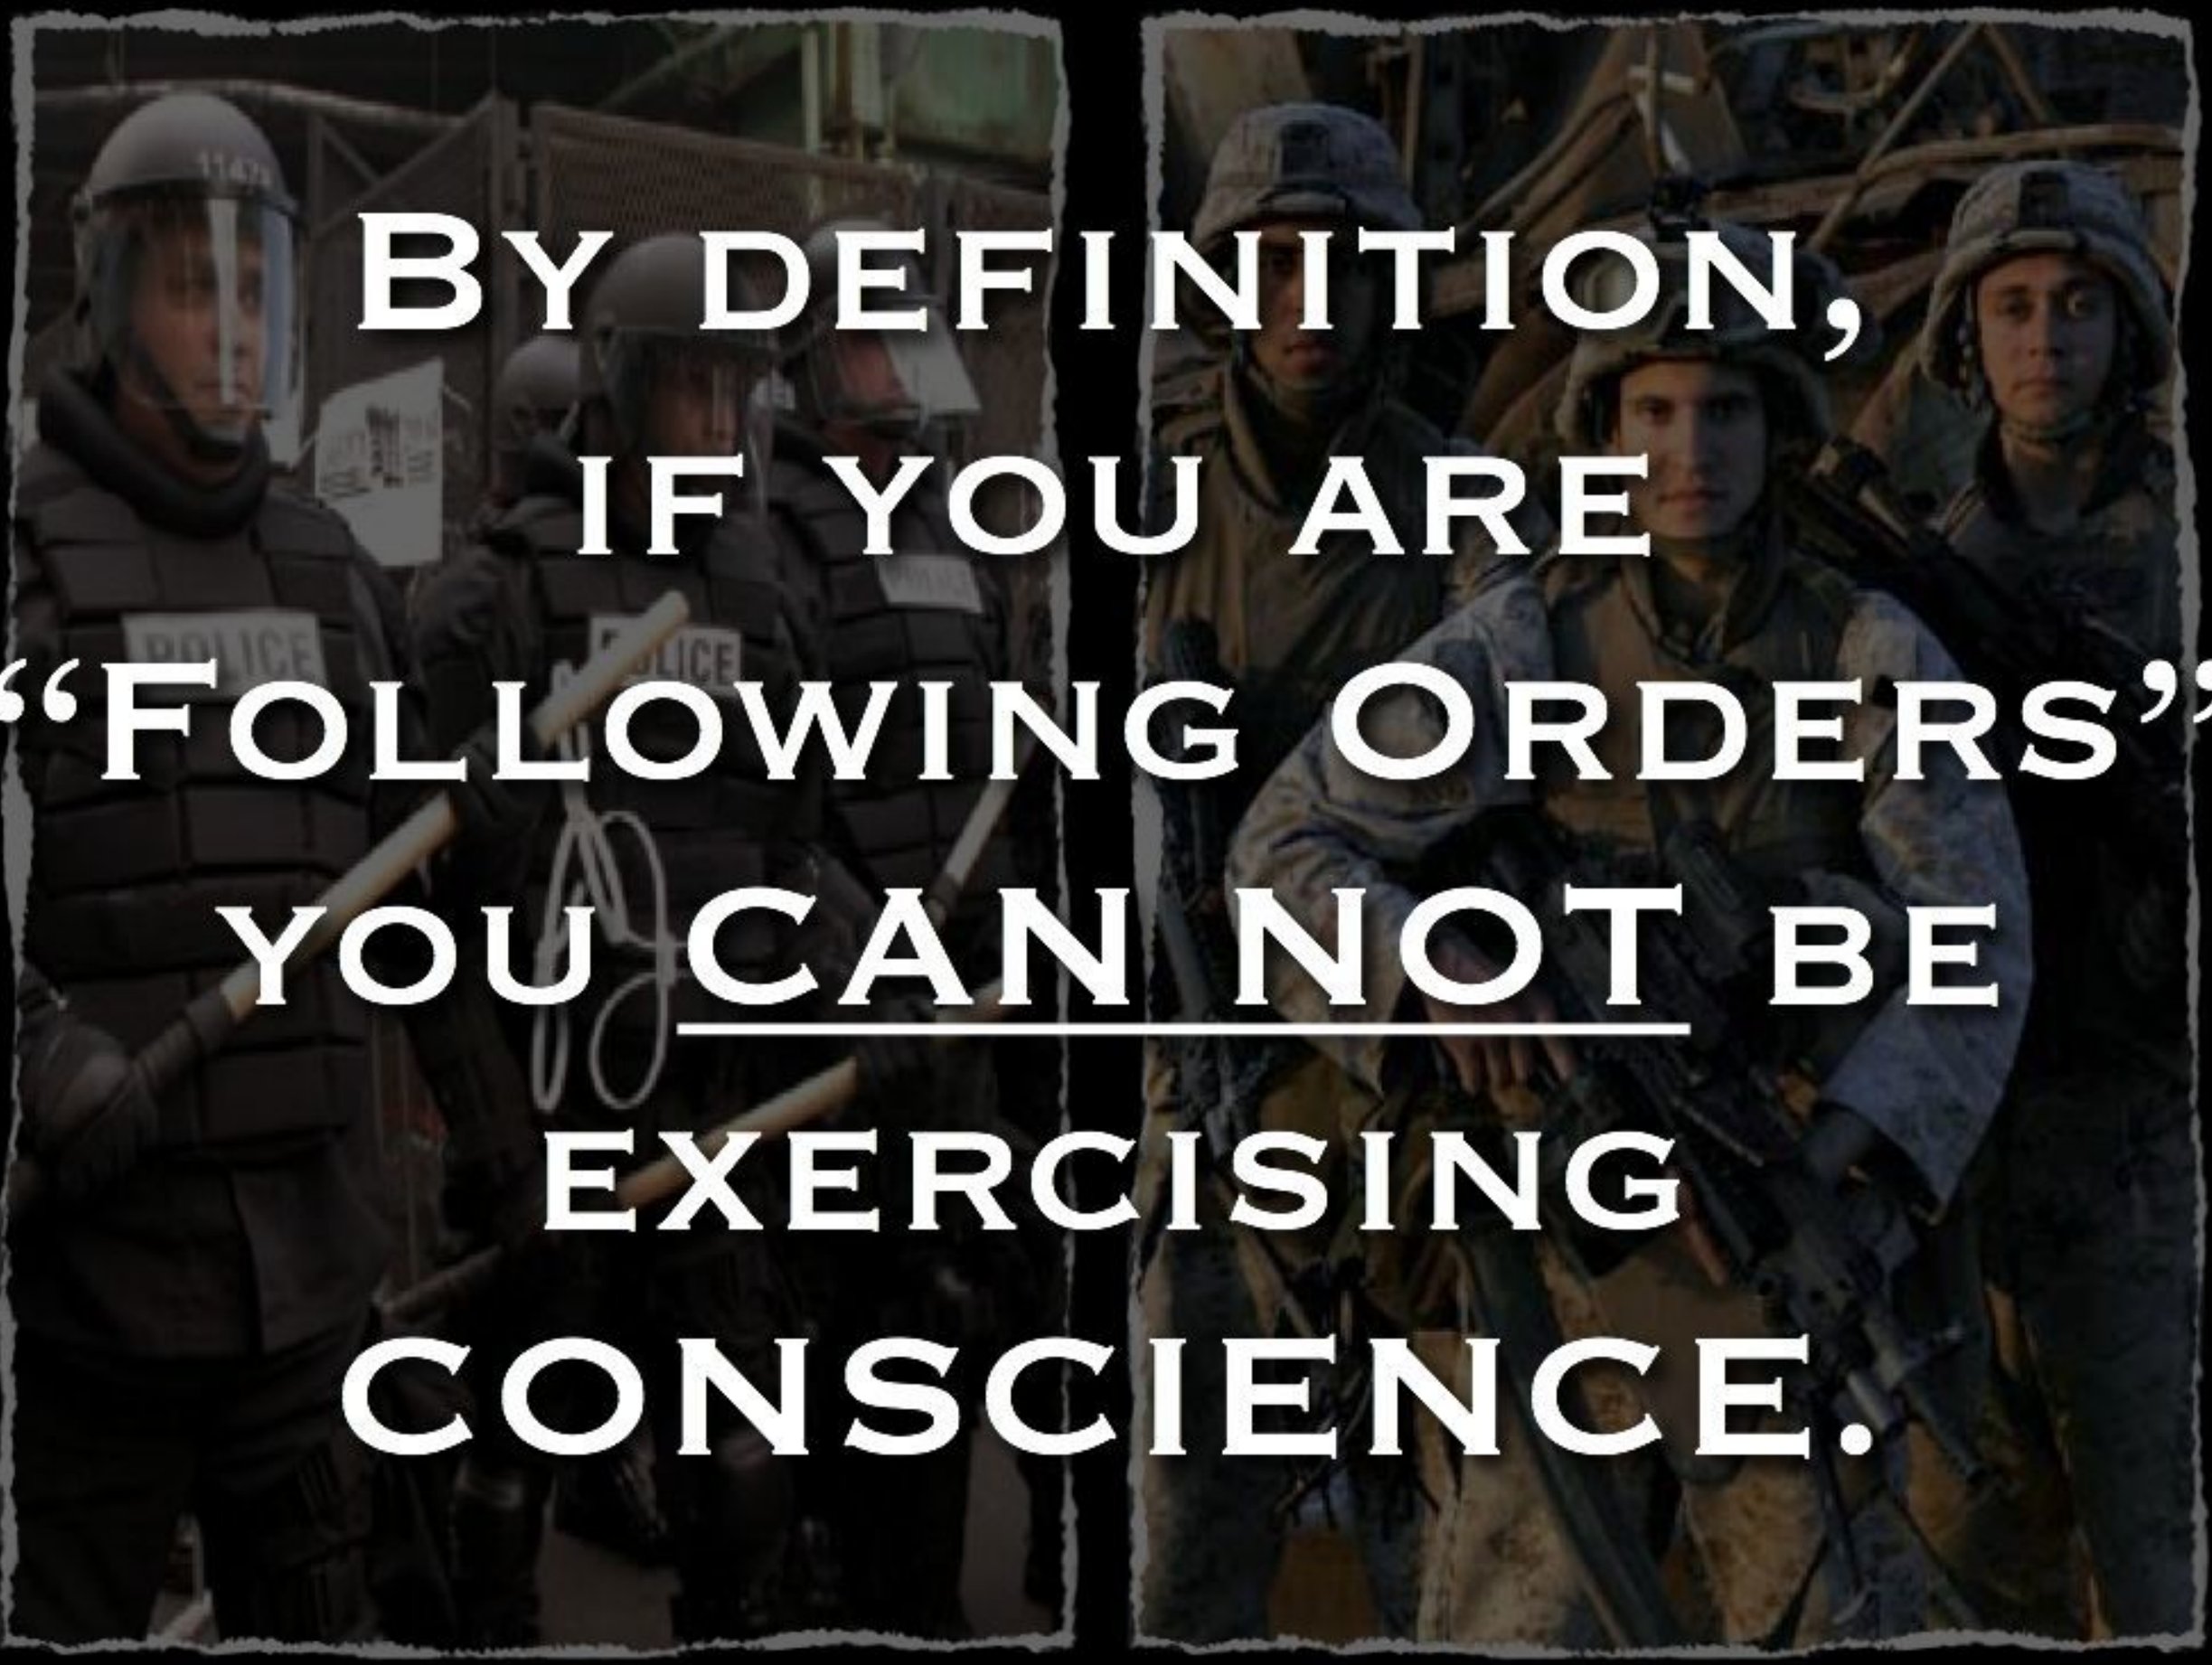
***con**: together **sciere**: to know*

Possession of the definitive Knowledge of the difference between Right and Wrong under Natural Law

# COMMON SENSE

# Exercise Of CONSCIENCE

The Willful choosing of Right Action over Wrong Action, once the definitive Knowledge of the difference between Right and Wrong under Natural Law has been acquired



By definition,
if you are
"Following Orders"
you can not be
exercising
conscience.

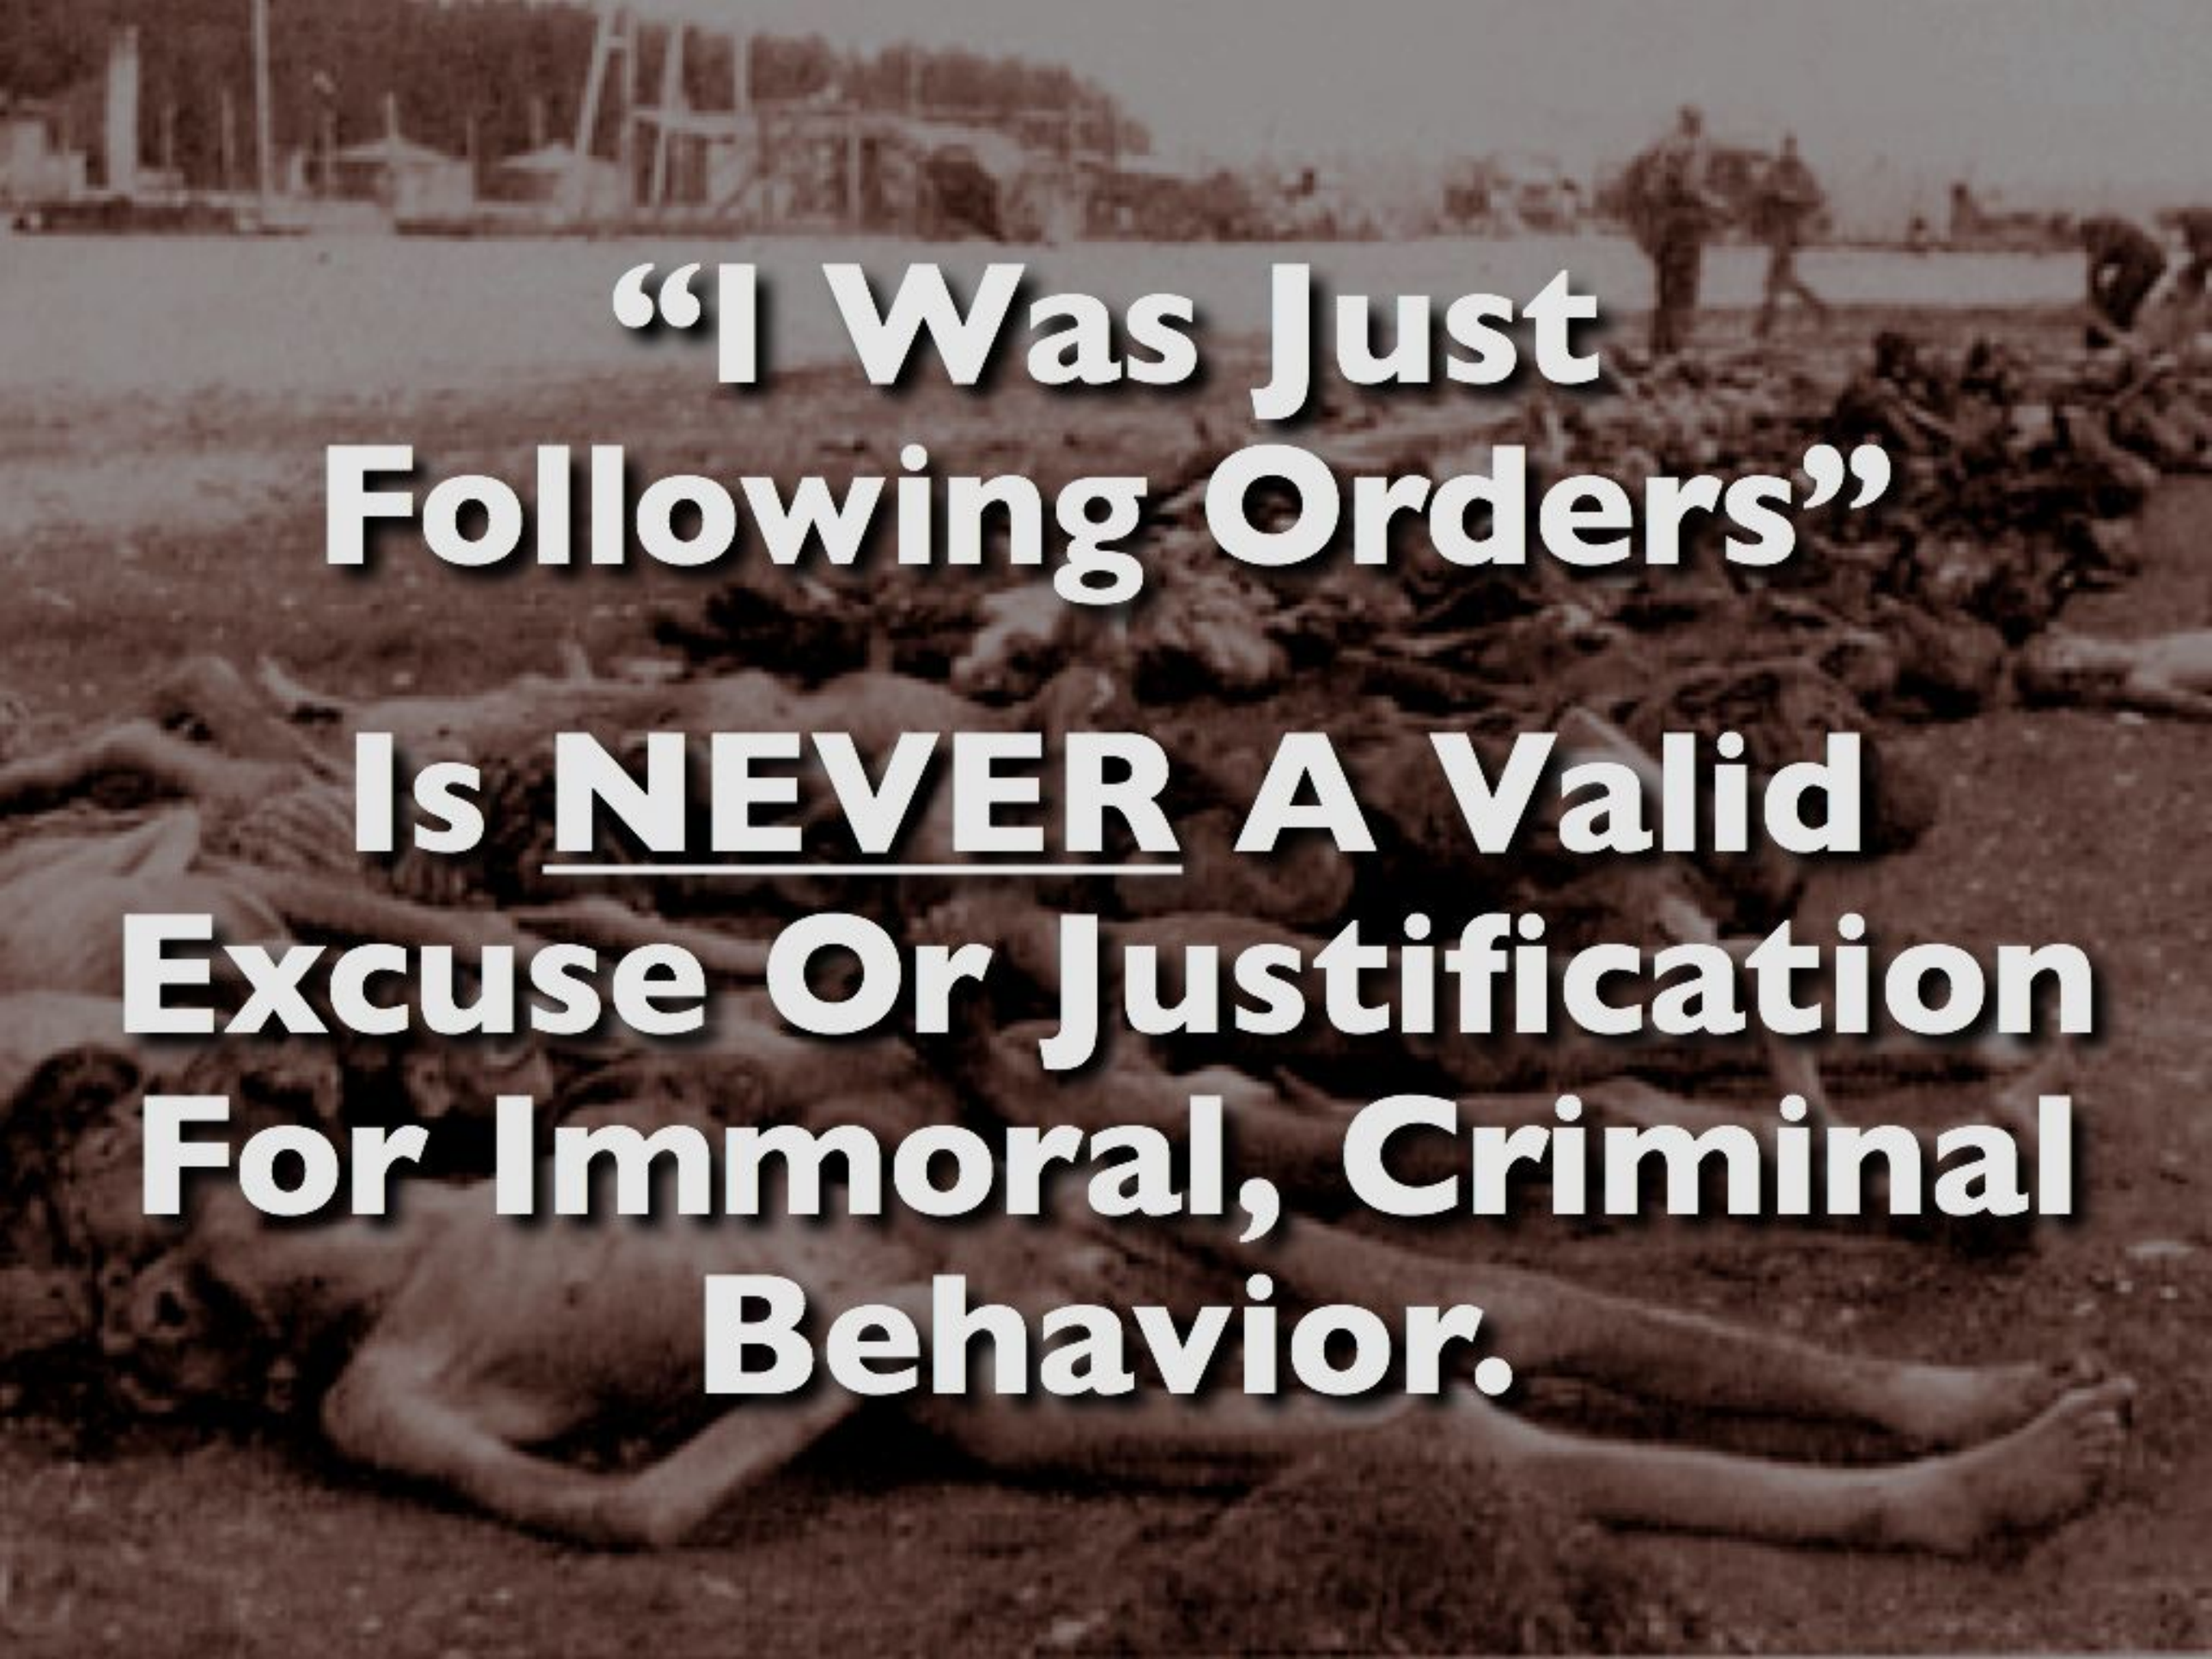
# JUSTIFICATION

*From Latin*

***jus**: right; law*

***facere**: to make; to create.*

## To "Create" Right



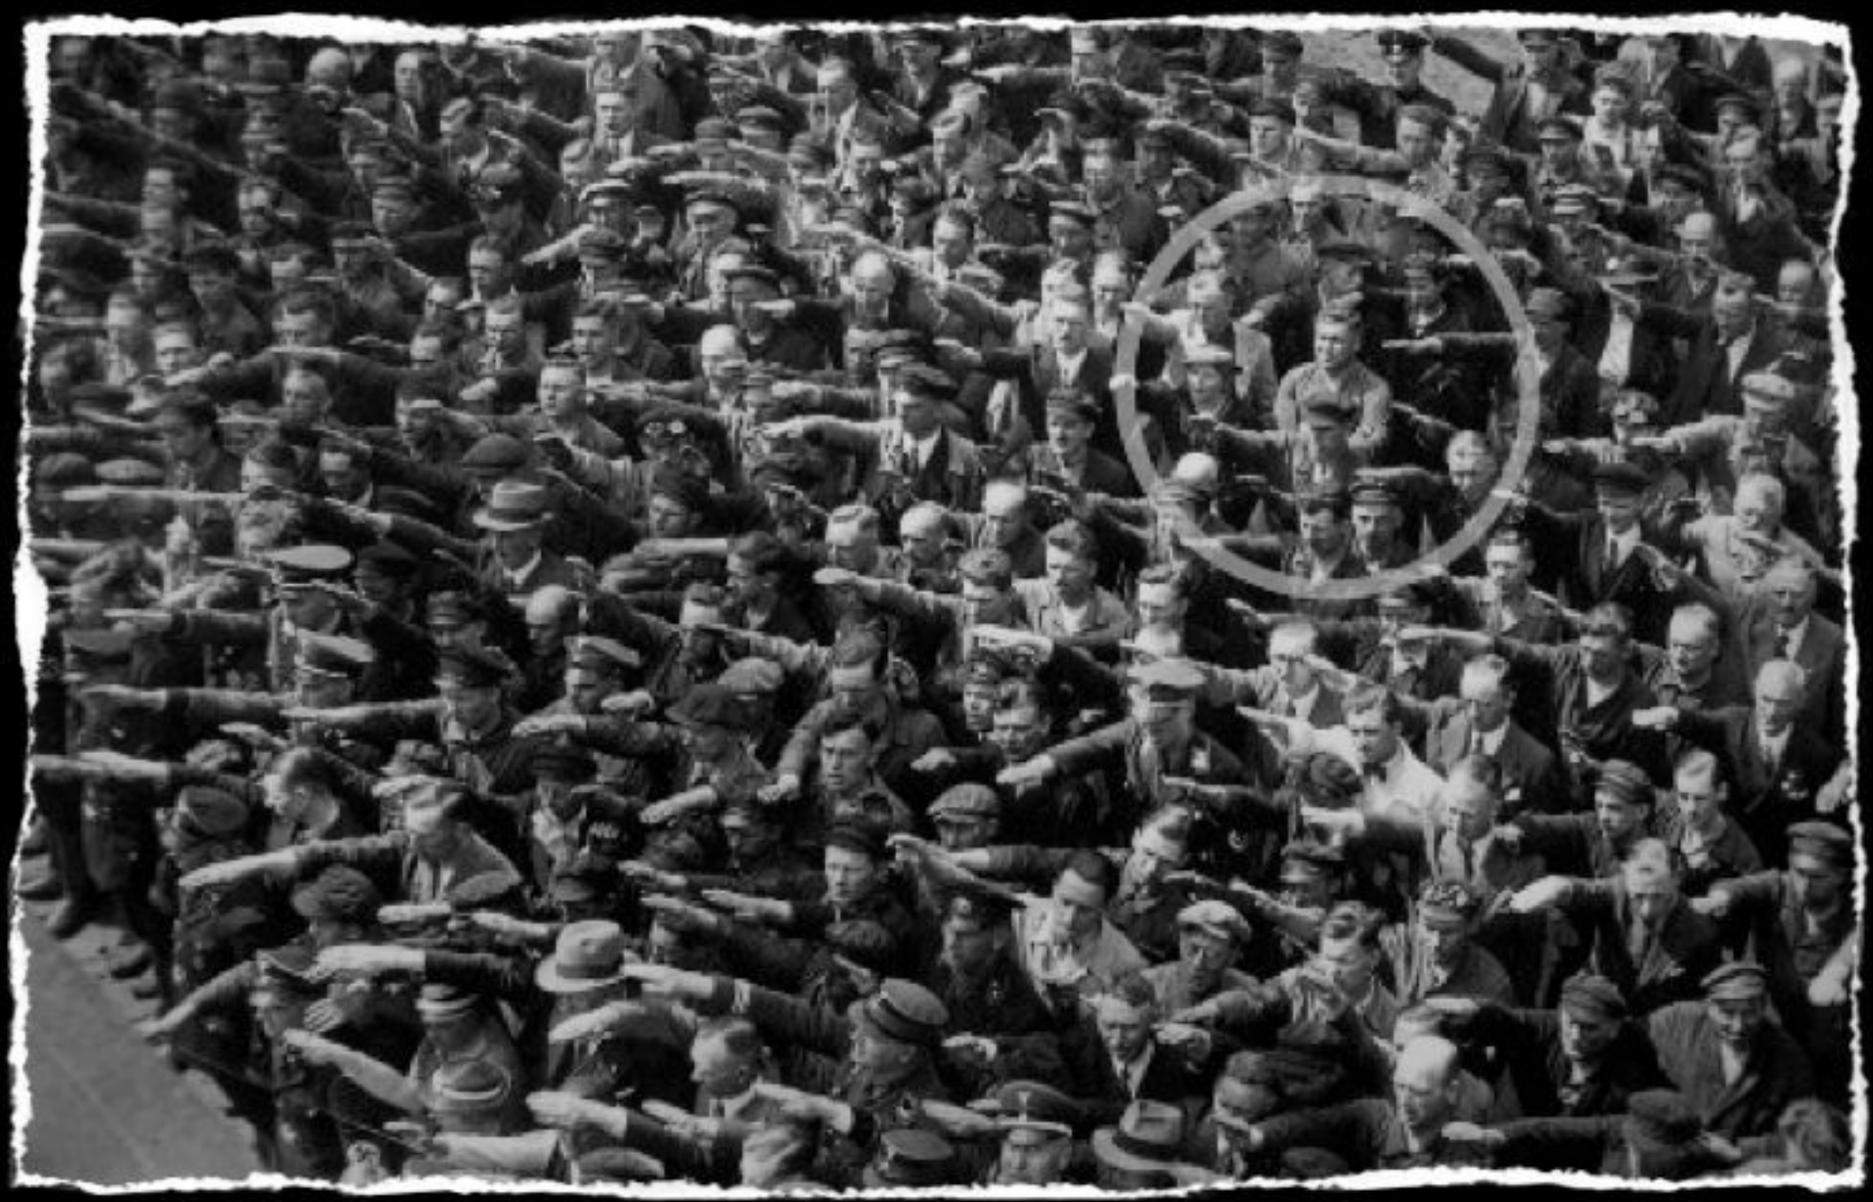
"I Was Just Following Orders"
Is NEVER A Valid Excuse Or Justification For Immoral, Criminal Behavior.

# RESPONSIBILITY

"Accept responsibility for yourself and your actions, thoughts and words. You alone make choices. You alone are answerable to the consequences of your behavior. The feeble excuse that your boss required it, the establishment expected it, holds no truth or justification."

- David Icke

# Saying "NO" *IS* The Solution



# AUTHORITY IS NOT TRUTH

# TRUTH IS AUTHORITY

# selflessness

Having, exhibiting, or motivated by no concern for oneself (the lower "self"); unselfish; altruistic; motivated by the desire to improve and evolve the Higher Self.

# Self-less-ness

The condition of having lost connection to the True Self; motivated only by the base instincts of the lower "self;" complete selfishness; driven only by lower-self preservation.
